**ANNUAL REPORT
2022-23**

presented by
Principal Dr Navjot Kaur
on the occasion of
44th Annual Convocation
held on April 25, 2024

Professor (Dr) Renu Vig
Honourable Vice Chancellor
Panjab University, Chandigarh

As we assemble for the highly anticipated tradition of an educational institution, the Annual Convocation, I am honoured and privileged to present the Annual Report of Sri Guru Gobind Singh College, Chandigarh to the august gathering assembled here today.

On behalf of the Management, Sikh Educational Society, distinguished dignitaries, faculty members, and students of the College, I extend a cordial welcome to the Chief Guest, Professor (Dr) Renu Vig, the Vice-Chancellor of Panjab University.

Professor (Dr) Renu Vig assumed the role of Vice-Chancellor of Panjab University on January 16, 2023. Under her able leadership, the University achieved the distinguished NAAC Grade of A++, reflecting her guidance and unwavering commitment to excellence. Her futuristic vision extends to providing requisite facilities and provisions fundamental to the overall growth of the colleges that fall under Panjab University, transforming them into institutions of repute. Prior to her appointment as Vice-Chancellor, Dr Vig held numerous esteemed positions within the University. With over 35 years of extensive experience in academia, she is widely acknowledged as an authority in Engineering and Technology, with a specialisation in Artificial Intelligence and Neural Networks, as substantiated by her Ph.D. in the field.

Dr Renu Vig's academic accomplishments are exceptional, reflecting her dedication to scholarly excellence. She earned Gold Medal from Panjab University for her outstanding performance in Bachelor of Engineering (BE) and Roll of Honour for securing the third position in Pre-Engineering at Panjab University. Furthermore, her research contributions have received prestigious accolades, including The N K Iyengar Memorial Prize and The Corps of Engineers Prize.

Beyond academia, Dr Renu Vig's professional engagements have been marked by notable achievements. Her exemplary contributions during a sabbatical project at Infosys Technologies Ltd earned appreciation from Dr M.P. Ravindra, Vice President and Head of the Education & Research Department. Her research endeavours extend across Signal Processing and Fuzzy Logic-based control, with her guidance benefiting numerous doctoral candidates. Having successfully supervised 10 PhD students and presently overseeing the progress of 6 additional scholars, she continues to shape the next generation of researchers in her field. Her prolific research output, comprising over 200 publications indexed in prestigious databases such as SCI/Scopus, underscores her scholarly impact and contributions to knowledge dissemination. In addition to her academic achievements, Dr Vig's strategic vision and great acquisition skills have led to significant funding opportunities for Panjab University's institutions, including a substantial grant under the TEQIP-II Project and the establishment of the Design Innovation Centre. It is with great privilege and honour that I introduce the students to a distinguished individual of such remarkable stature and notable achievements.

About The College

College Vision and Mission

Sri Guru Gobind Singh College was established in the year 1966 as a tribute to the Tenth Guru of the Sikhs, Sri Guru Gobind Singh Ji, the great saint soldier and a scholar par excellence. Located in the pristine environment of Chandigarh, the College has evolved as a premier institution of education in the northern region. There has been a consistent endeavour to live upto the high ideals of the tenth Guru which are enshrined in the insignia of the College designed by the legendary artist S Sobha Singh, symbolised by the flame of knowledge, power of the pen and spiritual prowess. It is duly emblazoned by the dictum of Sri Guru Gobind Singh Ji,

ਮਾਨਸ ਕੀ ਜਾਤਿ ਸਬੈ ਏਕੈ ਪਹਚਾਨਬੋ

All human beings have equal rights of fraternity, identity and justice

Taking inspiration from this inclusive ideology, students are encouraged to be tolerant and compassionate.

The Insignia of the College carries the imprint of the lofty ideals enshrined in the Vision and Mission of the College

Vision

The College has been set up with a clear vision to pursue excellence in all fields of education and learning by adhering to the highest standards of academic rigour in all its works. The teachings and lofty ideals of Sri Guru Gobind Singh Ji, after whom the College has been named, form the vision of this College. Inspired by the zeal to promote higher learning, the College is committed to impart affordable quality education, by using innovative teaching methodologies to a wide cross section of society without any distinction of caste, creed and religion

Mission

The paramount aspiration and the mission of the College is to inspire, prepare and empower students to be successful by promoting development of knowledge, skills and abilities needed to enter, adapt, sustain and progress with the diverse workforce and ever-changing world. The vision and mission is all encompassed in the College motto 'ਮਾਨਸ ਕੀ ਜਾਤਿ ਸਬੈ ਏਕੈ ਪਹਚਾਨਬੋ' - All human beings have equal rights of fraternity, identity and justice.

Institutional Distinctiveness

Sri Guru Gobind Singh College, Chandigarh stands out in its distinctive endeavour for a holistic development of the students and commitment to the cause of academics supplemented with philanthropy, morality and social sensitivity amongst youth. The pedagogy used is contemporary, thereby keeping students in line with the changing scenario in the educational arena, amalgamating this with value systems imbibed from the teachings and ideals of Sri Guru Gobind Singh Ji, after whom the College has been named. Within the mentioned framework, the unique Sikh practice of *Seva*, selfless service, is integrated in the academic and routine functioning of the College.

The NSS and NCC Units of the College also epitomise this spirit. The College is creating a niche in the field of environment sustainability with the creation of a mini urban forest on campus with native species of trees, at the same time actively promoting heritage and cultural preservation. The tradition of excellence in sports is the forte of the College and the sportspersons have International representations. The Alumni of the College are well placed in every walk of life and contribute towards their *alma mater* in a big way.

Dr Navjot Kaur, Principal has to her credit an illustrious career spanning over two decades. Elevated to the post of Principal in June, 2021, her tireless efforts and contributions towards the betterment of the College are truly commendable. It was under her able leadership, the College was re-accredited Grade 'A' by NAAC, during the third re-accreditation cycle.

With a distinguished academic career spanning various domains, her scholarly output includes 04 books and 06 chapters published by International Publishing Houses and more than 20 research papers in esteemed journals. Additionally, her engagement with academic journals extends to serving on Advisory Boards, Editing/Reviewing Committees. She has presented 11 papers in International Seminars and 33 in National Conferences. Furthermore, her commitment to academic mentorship is demonstrated through the successful supervision of 02 doctoral students and the ongoing guidance of 06 research scholars. She is a Life Member of MELUS India and MELOW, International Shakespeare Association, India and Punjab Development Society. She has served as Member Board of Postgraduate Studies, PU Chd for three terms (2013-15, 2017-19, 2019-21). Additionally, she was elected as President of the Executive Committee of the Panjab University Sports Council from 2021 to 2023. For her valuable contribution as Chief Editor of the Panjab University Annual Magazine *Jawan Tarang* 2022-2023, Dr Navjot Kaur was also felicitated with an Award of Honour by Professor (Dr) Renu Vig, Vice-Chancellor, Panjab University, Chandigarh. Furthermore, her commitment to addressing pressing environmental issues led to the award of a research project titled "Exploring Carbon Neutral Potential in Chandigarh: A Survey in Chandigarh" in 2023, where she served as Principal Investigator, sanctioned by the Climate Change Cell/Centre, Department of Environment, Chandigarh Administration.

Dr Navjot Kaur has played an instrumental role in the creation of the Guru Nanak Sacred Forest, a flourishing mini-urban forest on Campus with native species, that has contributed greatly towards reducing the carbon footprint and increasing biodiversity in the region. She has been awarded a Certificate of Appreciation for this novel initiative by the Chief Conservator of Forests and Chief Wildlife Warden, Chandigarh Administration. Under her aegis, the College has won the National Green Corps Best Environment Society for 03 consecutive years and the Best Herbal Garden Award for 02 consecutive years. The College has received the State Award 2023 for Single Use Plastic and E-Waste Management by the Department of Environment, Chandigarh, and also the highest grade under National Rural Institutions Sustainability Grading in Chandigarh. Under her guidance, the College was awarded the 'Best Electoral Literacy Club 2023' by Director School Education-cum-Assistant Electoral Registration Officer-03, UT, Chd. The College also received the prestigious Girls India Award 2022-23 for its efforts to uphold and advocate for the rights and dignity of women and girls in the region.

She has also been conferred with the *Cyber Swachhta Mission Award* by the Hon'ble Governor of Punjab, and the *Solar Chandigarh Ambassador Award 2022*, which was given by CREST. The Ministry of *Jal Shakti*, under the GOI, presented a certificate to Dr Navjot Kaur for promotion of water conservation by organising a 'Tier III Training Programme on Water Availability and Management at Local Level.' Under her guidance, the College has collaborated with Panjab Digital Library to create Heritage Walls on Campus to sensitise the students about the rich legacy of the past. A *Virasat* Heritage Centre chronicling the rich legacy of Sikhism has also been set up on Campus.

By cause of her pioneering vision and efforts, the College has signed 29 MOUs with various organisations to enhance academic interests and social development. These include industry partnerships, cultural preservation, environmental initiatives, social empowerment programmes, training in software and tally certification. An MOU with Meher Baba Charitable Trust has been instrumental in empowering rural women, and helping them earn a livelihood. A Certificate of Appreciation was awarded to Dr Navjot Kaur by the Trust for her outstanding contribution to promote gender equality. She played a significant role in initiating free education for visually impaired students by signing an MOU with the Institute for the Blind, Chd. The College has been declared a VENTEL Action Plan Institution recognised by MGNCRE, GOI. The Department of Transfusion Medicine, GMCH, Sector-32, Chd also conferred an Award of Honour on the College for the Blood Donation Programme conducted by the Mehramat Live Blood Donors Society.

The Ministry of Education, GOI, National Foundation for Communal Harmony, GOI, Intellectual Property Office India, GOI, IIT Bombay and Yuvsatta NGO have appreciated the efforts of Dr Navjot Kaur for encouraging the youth to follow sustainable measures and stay connected to their roots. The Sikh Educational Society nominated Dr Navjot Kaur to serve on the interview panel for selection of the Principal for Sri Guru Gobind Singh College of Pharmacy. Her leadership has been instrumental in helping the College excel in the field of sports and winning Chandigarh State Hockey Championship for 02 consecutive years among many other All India Inter-University Competitions.

Before taking over the reins of the College as Principal, she has held several administrative and distinguished positions like Bursar, Dean Research, Registrar Publications, NIRF Nodal Officer, Nodal Officer, Electoral Literacy Club, Editor-in-Chief, College Magazine and Coordinator, Young Speakers Association. She has also played a pivotal role in conceptualising and bringing to life key events organised by the Postgraduate Department of English such as a National Seminar on Multiculturalism, a Poetry Symposium a Colloquium on Faiz Ahmed Faiz , various Capacity Building Workshops and the Annual Literary Festival Autumn Muse.

Under her astute guidance and dynamic vision, the College has achieved new benchmarks of excellence in both curricular and extracurricular fields.

Guru Nanak Sacred Forest – A Mini Urban Forest with Native Species

Sri Guru Gobind Singh College had initiated a novel idea of creating a mini-urban forest on Campus in April 2019 with an objective to promote a sustainable environment. This habitation has now flourished into a natural air-purifying dense forest with 550 trees comprising 49 different native species of the region planted in an area of 180 square metres. With the creation of the mini-urban forest, the College has made a niche in the field of environment sustainability, biodiversity conservation and preservation of genetic heritage. This tiny forest space is acting as a safe refuge for insects, birds and other fauna that are gradually disappearing from the ecosystem and is a major step in reducing the Carbon Footprint of the region. An Observation and Research Centre in the forest area facilitates research by the students and faculty, on the potential of native species for Sustainable Development. Sacred and Healing herbs have been planted in the adjoining area named Balihari Kudrat. Various Campaigns, Workshops, Nature Trails and events promoting awareness

Visit of students from Strawberry Fields-26, Chd to Guru Nanak Sacred Forest commemorating World Earth Day

about environmental sustainability are organised in collaboration with several Government Bodies.

GNSF Committee members are involved in writing and presenting related Research Papers/Projects:

- DST Sponsored Research Project titled **Phytochemical screening and in-vitro antibacterial, antioxidant and antimicrobial study on native plant species cultivated in Guru Nanak Sacred Forest, Sri Guru Gobind Singh College, Chandigarh** sanctioned to Dr Inderpal Pasricha and Dr Mandeep Kaur Dhama, Assistant Professors, PG Deptt of Chemistry.

The Sacred Forest amalgamates the aspects of **ecosystem diversity, curative diversity (a wide variety of medicinal plants) and cultural diversity (including spiritual values)** very successfully.

The Air quality index (AQI) for reporting air quality on a daily basis is installed near Guru Nanak Sacred Forest of Sri Guru Gobind Singh College. It also reflects the humidity, temperature and particulate matter on a regular basis.

The quality of air as per AQI index in the Guru Nanak Sacred Forest is satisfactory as compared to the Chandigarh region due to the dense green cover of the forest that help to combat Carbon Footprint.

Mr Bhupinder Singh is the Coordinators of Guru Nanak Sacred Forest assisted by Committee members, **Ms Meena Jindal, Dr Mandeep Kaur Dhama, Dr Inderpal Pasricha and Ms Amol Virk.**

Two Day BRNS-IANCAS National Workshop on 'Radiochemistry & Applications of Radioisotopes' on Mar 25-26, 2023

The Resource Persons were Dr S Kannan, Director, Radiochemistry & Isotope Group and Vice President, IANCAS, BARC, Mumbai; Prof Annu Sharma, Kurukshetra University; Dr Taminder Singh, Khalsa College, Amritsar; Prof BS Bajwa, GNDU, Amritsar and Dr PC Kalsi, IANCAS, BARC, Mumbai.

On **Day 01**, Dr S Kannan delivered the Keynote Address in which he spoke about application of Radioisotopes and Radiochemistry in Environmental Research and Nuclear Medicine. This was followed by his Expert Lecture on 'Peaceful uses of Atomic Energy in India'. Prof Annu Sharma delivered an Expert Lecture on 'Introduction to Radioactivity' providing an overview on the novel concepts and current advances in radioactivity. The session concluded with practical demonstrations of 'GM Counter' by Dr Taminder Singh and 'SSNTD' by Dr PC Kalsi, which provided hands-on experience to the participants in using various instruments and techniques used in radiochemistry.

Two Day BRNS-IANCAS National Workshop on 'Radiochemistry & Applications of Radioisotopes on Mar 25-26, 2023.

On **Day 02**, Prof BS Bajwa, delivered an Expert Lecture on 'Applications of SSNTDs', in which he elucidated upon the applications of Solid-State Nuclear Detectors in Nuclear Physics, Radiochemical Analysis, Medicine and Biology. This was followed by the Expert Lecture on 'Latest developments in SSNTDs' by Dr PC Kalsi. 150 students participated

in the event. The event was organized in collaboration with PG Deptt of Chemistry.

Online Expert Lecture on ‘Space Sciences and Technology– Indian Perspective’ on Aug 10, 2022

The Resource Person, Dr Sandeep Sahijpal, Professor, Deptt of Physics, PU, Chd gave brief introduction to the different branches of Space Science and Technology, such as, Astronomy, Astrophysics, Planetary Sciences, Atmospheric Sciences, Climate Studies, Weather Forecasting, Telecommunication Satellite, Remote Sensing and Defense and Security of Nation. He explained in a very lucid manner the important phenomena such as the creation of universe, birth of stars and planets, physics and chemistry of our atmosphere, and prediction of weather change. He highlighted the important missions and landmarks in Indian Satellite Technologies such as Chandrayaan – I, Mangalayaan, to name a few. He also gave career tips to students mentioning about the ISRO-sponsored local centres located such as Semiconductor Laboratory, Mohali and Terminal Ballistics Research Lab (TBRL). 100 students participated in the event.

Webinar on ‘Career Options for Science Students in Telecommunications’ on Jan 31, 2023

The Resource Person, Mr Jasbir Sidhu, Systems Architect (Telecom) CISCO Systems Inc., USA, discussed the basics of the telecommunication system, streams/areas of telecommunication technology etc. He stressed upon how students from different science streams can be part of the telecommunication industry. He shared information about the technical as well as management areas and motivated the students to build career in the telecommunication industry. 49 students participated in the event.

Non-Teaching Faculty Report 2022-2023

Non-teaching faculty play a vital role in the smooth operation of institutions through their invaluable contributions, encompassing administrative support, maintenance, and various essential services, thereby fostering an environment conducive to learning and growth.

Activities/Achievements for the session 2022-2023 are:

- **Online Expert Lecture on “Bharat De Azaadi De 75 Saal” for Non-teaching Faculty to celebrate 75th Azadi ka Amrit Mahotsav, Aug 14, 2022**

Mr Harjeshwar Pal Singh, Assistant Professor in History, delivered the expert lecture. In his lecture, he delved into various significant events that shaped India’s journey over 75 years of independence. Key topics discussed included the formation of the Constitution of India, the establishment of fundamental rights, land reforms, the Green Revolution, and the impact of globalisation and privatisation. He also shed light on India’s reservation policy, foreign policy decisions, and other governmental policies implemented during this period. He emphasised the role of Bollywood and cricket in fostering unity among Indians, offering his perspective on their contributions to national cohesion. Overall, the lecture provided a comprehensive overview of India’s post-independence history, highlighting key milestones, policies, and societal influences that have shaped the nation’s trajectory over the past seven decades.

- **Staff Awareness Week Celebrations, Aug 25 - 31, 2022**

During Staff Awareness Week, the Administrative office engaged 58 faculty members, with 43 providing valuable feedback, demonstrating a strong level of participation and interest. The primary aim was to ensure faculty members’ understanding of Panjab University/UGC guidelines, especially concerning leaves and service rules. A key aspect of the programme involved reviewing faculty members’ Service Book details to ensure accuracy and compliance with administrative protocols, reflecting

the commitment to transparent record-keeping. Overall, the week served as a platform for faculty members to enhance their knowledge of institutional procedures and share their insights, emphasising the importance of communication and collaboration between administrative offices and academic staff.

- **Maternity & Child Care leaves granted to faculty**

Three female Non-teaching faculty members were granted childcare leave during the 2022-23 session to enable them to care for their children during their examinations and health issues.

- **Short and Half day leaves granted to faculty**

Non-teaching Faculty members were granted half-day and short leaves during the calendar year 2022 to facilitate them in attending to their personal necessary tasks.

- **Refreshments to Non-teaching staff on New Year**

Non-teaching faculty members were honored with refreshments on New Year’s Day, Jan 01, 2023, as a token of appreciation for their dedicated efforts throughout the year 2022.

- **Distribution of traditional sweets to Non-teaching staff on Lohri Festival**

The College celebrated the Lohri festival as a tradition to mark farewell to the winter season. All Faculty members were offered traditional items like ground nuts, jaggery, gajak etc., enhancing the festive spirit among the faculty members.

- **Distribution of Uniforms to Class IV employees**

All Sweepers, Gardeners and Security Guards were given Summer & Winter Uniforms on Oct 31, 2022 and Jan 19, 2023 respectively as per Uniform Policy of the College to maintain discipline, promote a sense of team spirit and improve their productivity. Turbans and Dupattas were given to all Class IV employees on the eve of *Khalsa Sajna Divas* on Apr 13, 2023

- **Gifting of New Year Planner**

The College Planner 2023 was gifted to all Non-teaching faculty members in Jan 2023. The Calendar pays homage to the transcendental and profound nature of Gurbani through lines written in Gurmukhi inscribed on the paintings contained therein. It upholds the Best Practice of Heritage and Cultural Preservation promoted by the College.

- **Contribution towards Staff Welfare Scheme and its Beneficiaries**

A contributory scheme for the welfare of faculty was introduced in Oct 2021. The purpose of the scheme is to financially help the faculty members on their retirement, serious illness or death of any faculty member. The equal contribution was given by the Management in the said scheme on monthly basis. Mr Sanjiv Kumar, Sweeper through an outsourcing agency was paid Rs. 15,000/- for his medical treatment on Nov 29, 2022.

Awards received by the College due to the contribution of Non-teaching staff

The College was given the Best Herbal Garden Award 2022 by the Department of Environment, Chandigarh Administration, Chandigarh due to the maintenance of the Herbal Garden by College Gardeners. The College also won State Award 2023 for Single-use plastic and e-waste Management

from the Department of Environment, Chandigarh Administration, Chandigarh due to the contribution of Sweepers in Waste Management.

Enhancement of qualification by Non-teaching faculty

Mr Gurpreet Singh, Restorer enhanced his qualifications and successfully completed a Diploma in Library Science from Punjabi University, Patiala. His enhanced qualification will help him manage the database in the Establishment Section more efficiently and effectively.

Faculty Joined/Retired/Resigned

Mr Dilbagh Singh, Junior Lecturer Assistant retired from service on attaining the age of Superannuation after serving for more than 30 years. **Mrs Ramandeep Rani**, Senior Lecturer Assistant resigned from her post.
